CRICOS Provider Code: 00213J

Research at QUT QUT's rapid growth in research performance has consolidated our position as one of the nation's leading universities for end-user inspired research. Since 1989 QUT's research profile has expanded at a rate significantly above the Australian sector average and we are consistently one of the top recipients of funding through the Australian Research Council (ARC) linkage program. QUT's global standing is further enhanced by research funding from international organisations such as the Bill and Melinda Gates Foundation and World Health Organisation. If you have a passion for discovery, for seeing things in a new way or love the challenge of solving important problems, you should consider a research degree at QUT.
